Oulton Park - Performance in the Park

Widely acknowledged as the most picturesque race circuit in the country, Oulton Park is recognised as much for its stunning surroundings as the spectacular racing that takes place on its famous sweeps and curves.

Oulton Park held its first race meeting in 1953, and over the next half-century motor racing legends such as Jack Brabham, Jim Clark, Niki Lauda, James Hunt, Ayrton Senna and Martin Brundle all featured on the Cheshire circuit's roll of honour. More recently, visitors to Oulton Park have witnessed the new breed of F1 superheroes including Kimi Raikkonen, Jenson Button and Lewis Hamilton. All have earned their opportunity in top-flight motorsport whilst demonstrating their talents around this challenging drivers' circuit.

Located just 20 miles south of Manchester, only 25 minutes from junctions 18 or 19 off the M6 or 20 minutes from Junction 10 of the M56, the circuit boasts first-class facilities for corporate guests. A superb hospitality and conference centre provides every convenience for the discerning event planner, coupled with sensational views of one of the most attractive race circuits in the world.

With beautiful surroundings, a superb fleet of performance cars and stunning facilities for corporate activities, Oulton Park is the perfect location to amaze and inspire your guests.
